ASSOCIATE IN ARTS GENERAL EDUCATION & DIVERSITY MATRIX

The following list includes all courses designated as meeting the general education requirements for the Associate in Arts (AA) degree from Bismarck State College. Additionally, there is a three-credit **Diversity** requirement for completion of the AA degree, and the list also contains information about which courses meet this requirement. A course listed as both general education and diversity may satisfy both requirements upon successful completion. Contact your academic advisor with any questions related to this requirement.
