Credits		15
Total Credits		66

1

NURS 100 Nurse Assistant Training (taken for 2 credits) may be used to meet the Enrichment requirement for the Associate in Science degree. (A CNA license is not required for admission to NDSU-NSH.)

2

Prerequisites for these courses are listed in the course description section of the BSC catalog.

3

Courses to be taught by NDSU faculty at NDSU-Nursing at Sanford Health after admission to the professional nursing program.

4

If you have already taken another college math course check with NDSU Nursing at Sanford to see if it may meet the math requirement before your register for MATH 104.

All of the above courses must be completed before beginning junior year nurses courses.
