Students should speak with an advisor to see if this course is required.

Any student considering completion of the 4-year program at the University of Mary MUST talk with an advisor before registering for the spring freshman courses.

It is essential that students check the catalog of the transfer university of their choice and bring this information to their advisor so the curriculum can be modified according to the specific requirements of the degree granting institution. The suggested curriculum will help prepare students for acceptance to their transfer university of choice.
